A SERIOUS AFFAIR.

An altercation which came near proving fatal occurred on the square Saturday after noon. Mr. James Taggart received danger ous wounds at the nands of Enoch Wardlaw

Mr. Taggart, who, armed with a new wagon spoke, and accompanied by Mr. Will Perrin, went in search of him. Wardlaw was found in front of Bernau's store. Mr. Taggart struck at Wardlaw with his spoke. Wardlaw flashed a knife which seemed to be in readiness. In a few seconds Mr. Taggart had received five gashes. Mr. Perrin got hold of the spoke and knocked Wardlaw down and was clubbing him severely when the officers arrived.

The proof of this is before us: Unless you want to be poor, don't the Church has more love than ever before, and more power, and more success. She is doing not all her duty, but far more than ever before along all lines of evangelical aggressiveness. She is giving millions for education, for church building, for various noble charities, and millions to send forth and sustain godly men and consecrated women to far-off and long-benighted nations to bring them to the glorious light and liberty of the gospel. are fewer controversies, and the controversies are less acrimonious and bitter. Men are ceasing to believe that men can be made Christians by compulsion. Few now would imitate the bigot who said: "My brother, do you love the Lord?" and befere answer could be made, doubled his first, and said: "If you don't, I will punch you on the head, and make you." No, it is love that drives the Churches chariot wheels, and all resistance must yield to love. So let brotherly love continue, and abound more and more. -Nashville Advocate.
